Sir:

As a precautionary measure, applicants request an extension of time, if needed and if not separately attached hereto, and authorize the Commissioner to charge the fee therefor to our deposit account in accordance with our standing authorization for such charges.

In response to the restriction requirement dated December 28, 2004, applicants herewith elect with traverse the further prosecution of Claim Group I, that is, of apparatus claims 1-8.

Applicants disagree that the apparatus recited in the elected claims can be used with another, materially different process, such as the enrichment of oxygen isotopes—the sole

basis for the restriction requirement. There is no indication that the apparatus can be used in this manner, and as a result the restriction requirement is at most based on speculation.

In view thereof, applicants request the retraction of the restriction requirement and examination of all pending claims 1-10.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (415) 576-0200.

Respectfully submitted,
